

# Coronet Label

---

**Best in class, Coronet C1S Label is a game changer.**

Coronet C1S is available in both a 87 bright and the 90 bright Coronet C1S Plus. This premium blue-white coated sheet works in a wide variety of printing and packaging applications.

Coronet C1S prints beautifully with excellent strength and adhesion to hold up under the pressures of folding, die cutting and litho lamination.

## Applications

---

- Litho Lamination
