

# Paper Pads

---

Paper pads are disposable and the preferred solution for one-way shipping overseas or for long term storage.

Perfect for protecting and cushioning furniture, pictures, mirrors or any fragile items from nicks, scratches, dust or dirt during the moving process.

Our Paper Pad moving blankets are made with a 30 or 40# outer Kraft sleeve with an inner layer of newsprint, embossed medium non woven or any combination thereof.

Printed blankets are also available.

## Applications

---

Moving & storage
